Cumann Cairdeas getting ready for Bealtaine Arts month!

The Cumann Cairdeas Friendship the Community Development Project nor its Board of Directors Group had a busy and creative month and plans are now being hatched for the group's local contribution to the annual national Bealtaine Festival of Arts in older age. The group held a fun and tasty coffee morning and raised over €125 in aid of Cancer Services as part of Daffodil Day. They also hosted a visit from the Marie Keating Foundation information bus. The guest speaker that day focused on health, cancers and the over 50s and there was a great turnout. The Marie Keating

speaker also met with a group of over 12 local information packs in Siopa Pobail and the Roche, a Cork singer and musician who lives locally. Ger led off a round of songs and reminiscence that ran well over time and succeeded in getting (nearly) everyone to sing a verse for group agreed to get Ger back very soon for the 30th April meeting to outline plans for an have a Cumann Cairdeas notice board in Siopa Pobail too. We are always welcoming new visitors so grab a friend and get along to our next session. Bí Linn!
